What's been happening? Several events: We were fairly well represented at the 2017 Spring Fling Corvair Show and Festival in Sutter Creek, on the April 21-23 weekend. The weather was as good as anyone would want; no rain, light sun-burns, and not too hot. Eight members of CVC were there at one time or another, we didn't win any trophies, awards, or even very much in door prizes. We are looking forward to Next Year! The Classic Corvairs of River City (Sacramento) Club put on a good show.

Waterford Heritage Day were celebrated on May 13 weekend. We didn't get organized soon enough to formally take part. Next year, for sure!

It's nearly time to start talking about the 2017 Concours d'Lemon, in Seaside in August.
